

AVIATION THAT SERVES THE NATION

Dhabiyan Aviation Services (DAS) is a premier provider of comprehensive aviation and defence solutions, serving both commercial and military sectors.

WHO ARE WE

Dhabiyan Aviation Services (DAS) is a UAE-based aviation and defense services provider, delivering mission-focused solutions to government entities and select private sector clients across the UAE and internationally. Established in 2025, DAS operates under the strategic leadership of Z Al Hashmi Holding, drawing on the Group's extensive experience in the defense and aerospace sectors.

As a wholly owned subsidiary, DAS specializes in aerospace procurement, technical support, and integrated logistics, supporting key national programs—most notably for the UAE Ministry of Defense. Our approach is rooted in innovation, compliance, and operational excellence, forming the foundation of every solution we deliver.

OUR VISION

To be a trusted and respected leader in the global aviation and defense industry, recognized for our unwavering commitment to operational excellence, innovation, and integrity. We strive to deliver strategic value to our clients by providing advanced solutions that enhance mission readiness, support national objectives, and drive long-term growth across the sectors we serve.

OUR MISSION

To provide dependable, high-performance aviation products, services, and integrated support solutions tailored to the evolving needs of our clients. We are committed to delivering excellence through innovation, strict adherence to quality standards, and full regulatory compliance, ensuring value, reliability, and long-term partnerships.

OUR PARTNERS

Dhabiyan Aviation Services (DAS) collaborates with globally recognized brands to deliver advanced, mission-critical solutions across the UAE and broader region. These partnerships strengthen DAS's commitment to operational excellence, innovation, and high-performance logistics within the aviation and defense sectors.

STRATEGIC PARTNERSHIPS & SPECIALIZED DISTRIBUTIONS

Clayton Associates (USA) – DAS holds exclusive distribution rights for Clayton's industry-leading dustless vacuum and filtration systems across the UAE, GCC, Egypt, Jordan, and Kazakhstan. These systems are essential for cleanroom-level maintenance in the aerospace, defense, and industrial sectors.

Air Covers (UK) – DAS is an approved distributor of Air Covers, the world leader in bespoke protective covers for helicopters, fixed-wing aircraft, and ground equipment. Air Covers' solutions are trusted by military and VIP operators worldwide, offering superior environmental protection and operational readiness.

GEOGRAPHIC FOCUS & MARKET PRESENCE

Dhabiyan Aviation Services (DAS) operates with a strategic focus on the United Arab Emirates, while actively expanding its footprint across the GCC, Middle East, and select international markets. Headquartered in Abu Dhabi, DAS is ideally positioned to support both government and private sector clients with rapid-response capabilities, deep regional insight, and trusted local partnerships.

OUR GROWING MARKET PRESENCE IS SUPPORTED BY:

Strong relationships with defense and aviation authorities across the UAE

Active engagements and opportunities in the GCC, Egypt, Jordan, and Kazakhstan.

Authorized regional distribution for specialized aviation and maintenance technologies

A network of partners and suppliers enabling global procurement and logistics through our expanding regional presence and agile operational model, DAS ensures reliable, compliant, and mission-ready support wherever our clients operate.
